Only the candidates who cumulatively fulfill the following pre-qualification criteria can participate in the outcry auction process:

### **1. Keeping the activity object**

The purchaser is required to insure the continuity of the power generation activity pursuant to the regulations, licenses, issued by the National Energy Regulator, for a period of at least 5 years since the purchase contract is signed.

The potential candidates are informed that the activity developed within the assets, which make the object of sale, is a regulated activity that is subject to the provisions of the legislation specific to the energy sector.

### **2. Observance of the regulations specific to the energy sector**

The Purchaser is required to assume the obligation to operate the small hydropower plants submitted to sale, as a part of the National Energy System, with the observance of the provisions of the Law for the energy and natural gases no. 123/ 2012 and of such other legal regulations in force, as well as of the rules of the existent prescriptions and norms, established and agreed by the National Energy Regulator, and of the environment legislation.

The Purchaser's obligation shall refer both to the legislation in force and to the normative acts such as they may be modified by the competent authorities, including as following the alignment of the Romanian legislation to the EU standards.

### **3. Environment-related obligations**

The Purchaser is required to assume, if the case may be, the program of investments for the environment protection as in conformity with the environment objectives and obligations established by the competent environment authority.

### **4. Conditions for the purchase of the lands of the small hydropower plants**

In the event that the assets are adjudicated by foreign natural/ legal persons (including in the event that such persons are part of a consortium), with the view of signing and authentication of the purchase contract, such persons shall establish a company/ branch with its headquarters in Romania.

### **5. Conditions for the public patrimony aspects**

The patrimony aspects, which are subject to the Law no. 213/ 1998 for the public property and the regime thereof, and to the new Civil Code, do not make the object of the sale of the corporate stock of assets.

### **6. Taking over the personnel from the assets**

The Purchaser is required to assume the obligation to take over the whole HIDROELECTRICA S.A.'s personnel developing its activity within the assets (hydropower plants) submitted to sale on the date the assets are transferred, with respect of the obligations and the rights mentioned under the collective labor contract in force at the level of Hidroelectrica S.A.

### **7. Post-sale obligations**

The Purchaser is required to assume the obligation to allow the Seller to access in the Assets and the obligation to submit the documents required by the Seller for the verification of the operation of the assets, on one's own behalf, for a period of 5 years and for keeping the object of activity.

## **DIRECT ACCESS TO THE DATA AND INFORMATION OF THE ASSET**

In the case that either the natural person or the legal person interested communicates in writing to the economic agent that they wish to draw up a report to expertise the assets on their own, HIDROELECTRICA SA shall provide them the free access to all the data and information of technical, economic, legal, and environmental character concerning the assets submitted to sale.

The natural or legal persons interested shall have access to the data and information of technical, economic, environmental, and legal character concerning such assets submitted to sale, under the following conditions:

- Submission of a letter of intent to purchase the assets;
- Forwarding a request in writing to ask for the access to the data and information concerning such assets;
- Signing the Non-Disclosure Agreement at HIDROELECTRICA S.A.'s headquarters;
- Payment for the equivalent value of the tender dossier.

Failure to accept and sign such a Non-Disclosure Agreement as in accordance with the terms and conditions stipulated by HIDROELECTRICA S.A leads to the fact that neither the natural persons nor the legal persons interested shall have access to the data and information concerning such asset or shall purchase the Tender Dossier.

## **THE VALUE OF THE TENDER GUARANTEE, AUCTION PARTICIPATION TAX, ACCESS TAX, AND THE EQUIVALENT VALUE OF THE TENDER DOSSIER**

The value of the tender guarantee is **10 % of the start price**. The tender guarantee shall be paid in lei by the Romanian natural/ legal persons, respectively in EUR, at the exchange rate communicated by the Romanian National Bank as of the date of its payment or of the issue of the bank guarantee letter, by the foreign natural/ legal persons.

The price of each Tender Dossier is **1,000 lei (+ VAT)**, which includes also the direct access to the data and information concerning the asset.

The countervalue of each auction participation Tax is **1,000 lei (+ VAT)**.

Both the price of the Tender Dossier and of the auction participation Tax shall be paid in lei, by the Romanian natural/ legal persons, respectively in EUR, by the foreign natural/ legal persons, at the exchange rate communicated by the Romanian National Bank as of the date of their payment.

### **Tender Dossier**

The Tender Dossiers elaborated by Hidroelectrica S.A. for the sale of each corporate stock of assets, can be acquired from Monday to Friday, starting with the date of **05<sup>th</sup> October 2015 up to 13<sup>th</sup> November 2015, within 9<sup>00</sup> - 15<sup>00</sup> hours, from Hidroelectrica S.A. headquarters.**

The Tender Dossier shall be released after the following documents are presented: (i) the evidence of the Tender Dossier price payment; (ii) identity card or passport of the person who takes the Tender Dossier; (iii) the mandate from behalf of the candidate legal person or the proxy from behalf of the candidate natural person for the person who takes the Tender Dossier and who signs the non-disclosure agreement; (iv) the non-disclosure agreement signed at Hidroelectrica S.A. headquarters by the mandated person.
